

# Tri-County LEAGUE BY-LAWS

*Revised 3/8/2023*

The intent of the Tri-County Swim League is not to create Olympic swimmers and divers, but rather to maintain a healthy spirit and to establish pride in all participants and love for the sport.

## Section A--GENERAL

1. The league board shall meet as often as necessary prior to the swim season. There shall be a meeting held as soon as possible at the conclusion of the swim season. Spring meeting will take place the second week of March, the exact date to be determined at the August end of season meeting by the league board.
2. Each team is required to have **two** voting representatives at all meetings. Coaches are strongly encouraged to attend all league meetings and **meetings are mandatory. Without team representation at a meeting, that team representation forfeits all voting and decision making rights.**
3. The league shall conduct its business following a simplified parliamentary procedure based on the most recent version of *The Standard Code of Parliamentary Procedure*.
4. Each pool will strive to start all meets on time, not to start before the conclusion of the dive meet. Warm ups will start at 6:00 pm - pools can warm up during diving. If not, warm - ups will begin immediately after the conclusion of the dive meet.
5. The only legitimate reason to cancel a scheduled meet is for bad weather, pool conditions, or unforeseen circumstances. Cancellation will be by mutual agreement of both coaches **but** can be initiated by the pool manager in the case of bad weather or unforeseen circumstances. Meet canceling due to bad weather prior to the traveling team arriving at the pool will be the call of the home team and a phone call will be made to the head coach prior to the away team's arrival. If bad weather occurs during the meet at least half way through the meet, both Coaches will make the call to conclude the meet. Scores will be calculated before the teams leave the pool and a decision will be made if a rainout make-up day will be scheduled.
6. The date, time, and place of league meets will be determined at the March beginning of season meetings and championships shall be decided by a vote of the board during the end of season August meeting.
7. June 1 is the deadline for age-group cutoff. Qualification for the 15 and over age group shall be determined by the age of the swimmer on June 1 each year. High school graduates reaching their 19th birthday during the competition year shall be entitled to compete in the age group for that season only. Early graduates may swim during the summer following the graduation of their high school class. A participant may swim up in an event but may not compete in the same event in different age groups. **\*\*Be sure to enter the 15-18 age group as 15-Over in Team and Meet Manager for swimmers to be eligible.**
8. The meet referee and the two coaches will determine fair play. In case of an unresolved problem, the league president shall be notified within a reasonable time following the meet and shall, at the earliest convenience, call a protest board consisting of one voting member (preferably the head coach) from each team other than the two teams involved in the controversy. The opposing coaches

and the meet referee and/or starter must be present to supply the facts. The president of the league will chair the committee unless he is directly involved in the protest, then the vice president will take the chair. The chair will vote only to break a tie. Secret ballot will be used.

9. In order to swim or dive in the league championships, swimmers must participate in at least two league meets prior to the championships. The coaches are honor bound to see that this requirement is met. Exceptions must be ruled on by the eligibility committee made up of the coach of the teams not requesting the special consideration. \*\*The Pentathlon is not considered a league meet.

10. The eligibility of participating swimmers is as follows:

A. Private Clubs: To participate on the swim/dive team of a private club, the swimmer must be a member of the club, a member of a family who holds a membership in the club, or be eligible for membership privileges through employment or other pool stipulations. A membership eligibility statement must be filed with the league by each club prior to May 1.

B. Municipal Pools: To participate on the swim/dive team of a municipal pool, the swimmer must be a member of the pool or reside within the boundaries of the tax structure which supports the pool. Employees who meet these requirements are eligible.

C. Any eligibility dispute will be reviewed within 10 days after the committee receives a written or verbal request from a team, coach, or voting parent representative of the team. The committee's decision will be the final word on requests made between May 1 through the league championship meet. An appeal may be filed with the league regarding decisions made during the off season. The appeal will be reviewed at a regular meeting or, if necessary, a special meeting of the league board prior to May 1.

11. The Tri-County Swim League is a summer league whose teams are required to compete in both swimming and diving.

12. A board established membership fee is collected from each team annually to cover expenses of the league. League fees will be determined and approved at the March meeting prior to the season.

13. Each team must attempt to swim all meets as scheduled by the league.

14. The official **USA Swimming** rulebook for swimming will govern all problems not clarified by these By-laws. The USA rulebook for diving will govern all problems not clarified by these By-laws. In all cases, league rules supersede **USA Swimming** or USA rules.

<https://www.usaswimming.org/officials/rules-regulations>

15. Any relay team must include at least two swimmers who are of the same age as the group they are competing. A full four-person relay cannot be composed of all swimmers out of their age group.

16. Each swimmer may participate in no more than three individual events and two relay events.

17. Once a swimmer has swum up in an age group for an individual event, they must swim up for all individual events.

### **Section D--LEAGUE DUAL DIVING RULES AND REGULATIONS      Revised 3/16/23**

1. It is required that each team in the Tri-County League update their eDive program at the beginning of each session. If a team does not update the program each team's program will not work together correctly.

- eDive Naming rules: **2023visitor@home**
- Every team needs to use the Team Affiliation Codes:
- Celina CEL
- Coldwater CW
- New Breman NB
- St. Henry's SH
- St. Mary's SM
- Tecumseh Woods TW
- Troy Dolphin TD

**\*\*Both teams must use the same name or the eDive program will not work.**

E-Dive templates will be sent for all teams to copy/use for the season.

2. Diving is the first event in every meet, the swim meet will follow after the dive meet. The

home team will provide two judges, with one being the referee, and the visiting team will provide one judge. Coaches and judges must be informed of who the referee is prior to the start of the meet. Teams must provide their own scorecards and lawn chairs.

3. Current U.S.A. diving degrees of difficulty will be used. Only those dives listed in the current NCAA Swimming and Diving rule books will be allowed  
<https://www.teamusa.org/usa-diving/resources/rulebook>
4. Contact with the away team should be made a few days before the meet by the home team. Make sure of times, required dive, and any other home team information. It is recommended to have entries into the home team 24 hours prior to the meet...6:00 pm day before the meet.
5. Volunteer dives are as follows, and will begin the week as designated at the Spring Meeting in March:
  - Week 1: Front
  - Week 2: Back

  - Week 4: 13 & over - Reverse 12 & under - Back
  - Week 5: 11 & over - Any twisting with a max DD of 1.8; this is to discourage improper back dive half twist.

\*If meets are scheduled during weeks 6, 7 or 8, repeat the order starting with Week one.

\*\*If a meet is rescheduled during a later week, please use the required dive for the week it is rescheduled.

\*\*\*11 & over may choose their required dive out of the required category. Cannot have a DD over 1.8 (this is so that it lines up with HS Diving).

\*\*\*\*Jumps 100 A,B,C or 200 A,B,C or 5100 A,B,C or 5200 A,B,C shall not be scored more than a 3 for 8 and under only and will not be allowed at meets after week 2. It is an exhibition entry-only if a jump is performed.

6. It is recommended that away coaches bring Dive sheets with them to the away meet in case of any problems. Home team should print all sheets after warm-ups. \*All Dives can be changed at any time prior to the start of the meet. Once the meet begins dives cannot be changed, only the position. If position is changed, then the lower degree of difficulty is to be used. These changes can be made by the team's coach or diver and should be kept to a minimum.
7. Home team is asked to start warmups as soon as possible and to start the meet promptly. This will cut down on time. Coaches should have their divers ready to dive on the board immediately upon the completion of the previous diver.
8. Diving Requirements: (Girls proceed Boys in each age group.)
  - 8 & under:** 1 Voluntary, 1 Optional (**Beginning Week #3 1 Voluntary, 2 Optional**)

**\*Note: Divers can only perform two dives per category with Voluntary dive included.**

9. The Voluntary dive must be the first dive listed and performed by each diver. It is up to the

referee to determine if the diver made an honest attempt to complete the dive. One failed dive will score a 0 for that dive. **\*Two failed dives will lead to disqualification of the diver.**

10. The home team may decide to combine the boys and girls as well as diving age group order into one diving group. Discussion between teams must occur prior to the meet.

11. Scoring:

- 1st Place: 5 points
